# This Year Is Our 250th Birthday

We're celebrating it in many ways, but the way that will interest you the most is the endeavors to mark this important event by "better service," better "values", better "merchandise," leaving nothing undone that will ensure the successful commencement of another 250 years' service to the people of Western Canada.

Will you not, during your visit to the city, enjoy the better service and better values we have to offer?

## Talking of Values

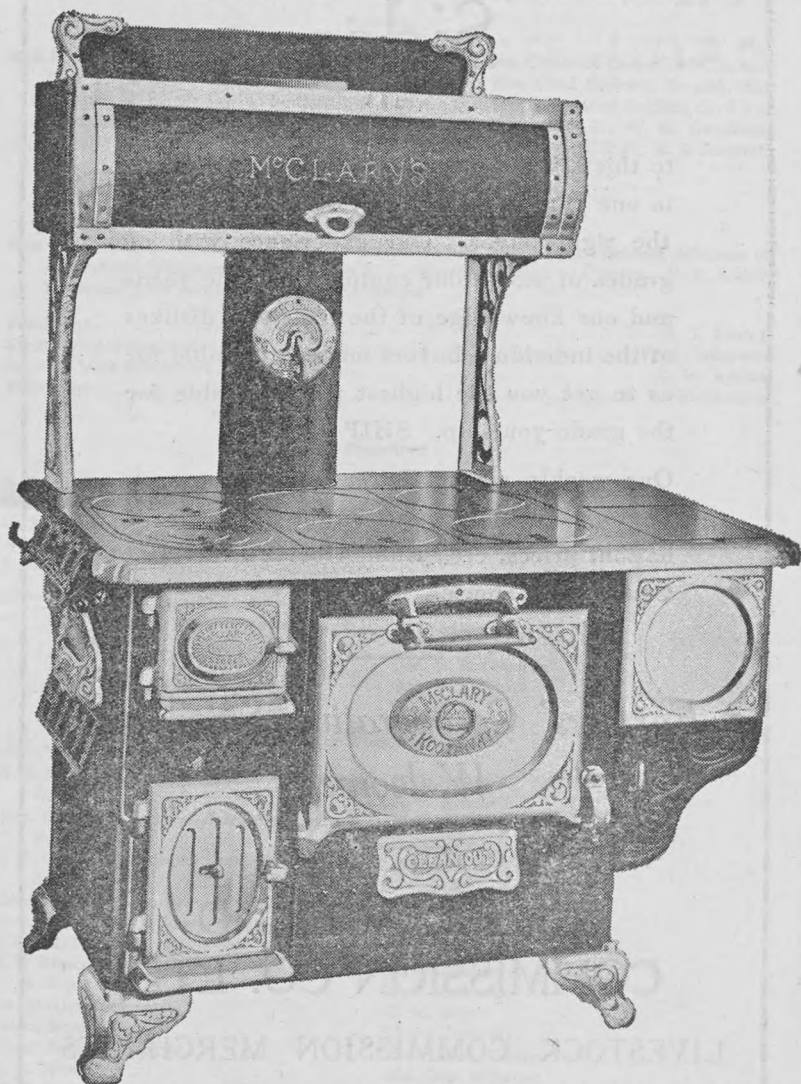

We would mention that our  
**GREAT JULY CLEARANCE  
SALE**

Commences on Friday, July 2nd, and will be the greatest festival of values you've ever seen; you should not leave town until after the Sale commences, it will mean dollars saved.

**F**EW people there are indeed who do not like the rhythmic sway, the dainty grace and the exotic charm of ballet dancing. Description cannot do justice to the beauty and brilliancy of this form of theatrical entertainment.

The Exhibition management feels particularly fortunate in having secured Madame Hewe's Ballet for this year's Fair. These young ladies will dance every afternoon and evening during Exhibition week.

## Z - Z - Z - Z - ZING

**T**HAT'S THE WAY they'll go, at break neck speed around the Calgary track—with motors whirring, exhausts popping, wheels revolving at unbelievable momentum, and clouds of dust shooting back from the speeding cars. It's speed—speed—speed, with the world's fastest drivers in great racing cars out to break the world's Dirt Track Record.

## AUTO RACES

### That Are Real Races

The Calgary Exhibition boasts the best dirt track in the West; and there'll be some great speed shown on the second and third of July, when the world's most dare-devil drivers assemble at Calgary to smash records. They may smash a couple of cars in doing so—but a couple of cars more or less mean nothing to these speed demons.

Motor enthusiasts will find endless thrills in the races this year. The prize money offered is larger than ever before; and the entries indicate a program of stellar events.

*See the races -- You'll enjoy them*

# AUTO POLO

## The Sport Spectacular

**I**MAGINE THE THRILLS IN such a game as this. Two stripped Fords, driven by fiendish drivers, dash madly over the track in pursuit of an elusive polo ball. Mallet men cling precariously to the sides of the cars, swinging mightily at the bouncing ball as their cars dash down upon it. There are spills, sharp turns, and accidents galore—enough to provide a thrill a minute.

Do you like auto racing? Do you like aviation? Do you like pony polo? Then see the thrills of all three combined in one great game.

# That "Ham Tree" Mule

"A LAUGH WITH EVERY KICK."

**E**BENEZER is a war-scarred veteran with a discouraged countenance, and he will keep the audience convulsed with laughter from the moment he makes his appearance until he gracefully acknowledges the salvos of applause at the end of his performance. He is the "Mule of Mules," and easily outclasses all other long-eared rivals in his line. The kicks come thick and fast, and with every kick there is a laugh. He has been trained to such a degree of perfection that he is at one moment the most balky, vicious and ungovernable mule in existence, and the next moment, a most intelligent and docile animal who actually laughs with the audience at his own uproarious fun.

The OLD WAY to run a lumber yard was to carry a stock of lumber.

The CROWN WAY is to furnish you with plans and specifications for your buildings, showing how you can build to the best advantage; to have these plans altered or redrawn to suit your special requirements, or to prepare entirely new plans from your rough sketch.

This service is given free of charge, and it is backed up at our country and city yards by large stocks of high-grade lumber, held in our yards and thoroughly dried before being offered for sale : :

# OMER LOCKLEAR

*The World's Greatest  
Acrobat*

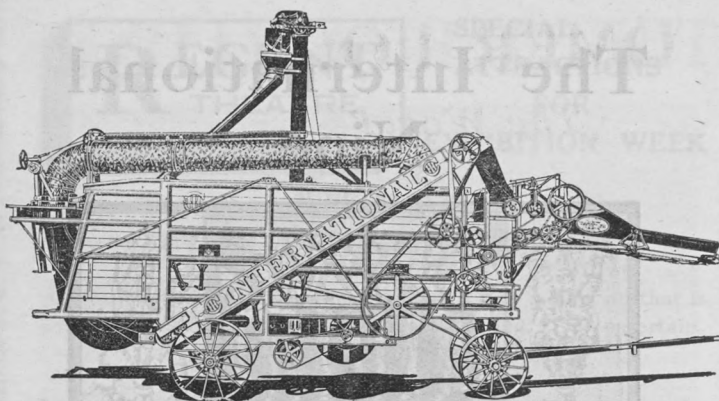

**T**HIS VIEW OF LOCKLEAR jumping from one plane to another shows only the climax of his wonderful performance in the air.

As a monkey scrambles from limb to limb in the top of a high tree, so Locklear scrambles all over his aeroplane as it travels at the rate of eighty miles an hour several hundred feet above the earth.

IN THE COURSE of his travels over the machine he stands on the top wing tip, on the tail, hangs from the under-wing skid, hangs by his heels from the landing gear, and does all manner of things which the scientists swore could not be done on a flying machine.

## Dainty Hei'land Dancers

*Misses Gwendolyn Smith, Betty Talbot  
and Helen Lee*

**T**HESE tiny tots, with little Vera Christie, will appear on the grand stand each evening in their Highland costumes and dance the Highland Fling. They are the most finished little artists in their line that have ever appeared in Calgary, and this fact is particularly gratifying to Calgarians in as much as they are local children and have been taught in a local dancing academy. They are only seven, six and seven years of age, respectively, but they have the Highland Fling down to a science.

Don't miss this rare treat in the grand stand programme each evening, as it will be a long time before such perfect little dancers will appear again.

# Remarkably Clever Tot

*Little Miss Gwendolyn Smith*

WITHOUT a doubt this will be the first opportunity the majority of Exhibition visitors have ever had to see any but adult dancers execute the difficult Russian dances. Miss Gwendolyn Smith is only seven years of age, but she executes a very difficult and lengthy Russian dance with a grace and charm seldom seen in the same dance when done by grown-ups.

The Calgary Exhibition management considers itself very fortunate in being able to secure Miss Gwendolyn Smith to appear each evening on the grand stand programme, as she is not a professional dancer, nor are the other little Calgary girls who are dancing each evening.

## BUILDING MATERIALS

Have increased 100 to 300 per cent. in the last five years. If your house or other buildings were destroyed by fire today, it would cost you at least twice as much to replace them than it did a few years ago. Have you provided for this increase by insuring your buildings to their full insurable value? If not, see us today, or phone us from your hotel. We will gladly call on you.

We represent insurance companies of high standing and can give you immediate protection at reduced rates.

We also write Hail, Automobile, Sickness and Accident, in fact, all classes of insurance.

Do not close your eyes to these potent facts.

# HORSES

## DIRECTORS IN CHARGE

HEAVY HORSES.....E. D. ADAMS  
LIGHT HORSES.....O. E. BROWN

1. Special attention is called to the General Rules appearing in the preceding pages.
2. The Exhibition Company does not provide stalls for exhibitors resident in Calgary or those whose entries are received after the advertised date for the closing of entries unless stalls are available.
3. No animal having a contagious disease shall be allowed to occupy any stall or building on, or be admitted to, the Exhibition Grounds, and if any animal has been admitted through an oversight, suffering from any such disease, the Manager shall immediately order its removal from the grounds.
4. The age of horses shall date from the first of January of the year in which they were foaled.
5. No horse suffering from any contagious or hereditary disease shall be allowed a premium. Stallions and brood mares injured by accident, which does not lessen their usefulness, may be awarded a prize.
6. Owner shall, if required by the Judge, produce satisfactory proof of the virility of stallions in the four-year-old and over classes.
7. The Judges are instructed to lay much stress upon superior breeding quality. Animals overloaded with flesh to the evident injury to their breeding qualities, will be marked down accordingly.
8. Horses and ponies shall be measured by such person or persons as the Executive Committee may appoint, in the shoes in which such horses and ponies come on the premises of the Exhibition Company, and such measurement shall be taken as correct, unless the Judge of the event in which such horses or ponies are entered shall direct re-measurement to be made by the Official Measurer, and the result of such re-measurement shall be accepted by the exhibitor as conclusive proof thereof.
9. In all classes for horses or ponies shown under saddle or in harness the Judges are requested to take conformation, style, manners and action into consideration.
10. Entry fee, except where otherwise stated, \$2 where the first prize is \$20 or over, and \$1 where the first prize is less than \$20.
11. Where there is only one exhibitor in a class only one prize will be paid.
12. No person may ride or drive more than one entry in each class, except jumping classes.
13. In progeny classes animals not over three months old may compete before registration is completed.

## DAIRY COMPETITION

Director in Charge: C. Marker.

No entry for Dairy Competition will be accepted after 12 o'clock noon, Monday, June 28th.

Entry fee, \$1.00.

Cows entered in other classes may also enter in the Dairy Competition.

The awards in this contest shall be made by the following scale:

25 points for each pound of fat.

3 points for each pound of solids (not fat).

1 point for each ten days in milk after the first thirty days; limit, 10 points.

The Milking Competition shall extend over 48 hours, and will take place on Wednesday, June 30th, and Thursday, July 1st. Rations fed to the cows will not be considered. The cows shall be milked dry at 6 p.m. on Tuesday, June 29th, in the presence of the officials placed in charge of the competition, and thereafter at 6 a.m. and 6 p.m. for the next following two days. An exhibitor may have the privilege of milking three times a day if a request is made on the entry form when entries are made. The percentage of fat in the milk will be determined by the Babcock Milk Tester, and the percentage of solids (not fat) will be determined by ascertaining the specific gravity of the milk and then estimating the amount of solids (not fat) by the use of recognized formulae for that purpose.

A statutory declaration will be required from each exhibitor, stating the number of days his exhibits have been in milk, also stating that each exhibit is shown in her proper class.

Exhibitors will be held responsible for the safe keeping of their cows during the test.

# LAYZELL & PARR'S PUREBRED FARMS

## PERCHERON, BELGIAN, CLYDE and SHIRE STALLIONS and MARES

We have Percheron mares that are bred to the World's Champion "Lagos." They are headed by the dapple grey 2,300-pound "Mercier" who has twenty-five First and Grand Champion Ribbons to his credit in the U.S.A., and who was First and Grand Champion at the recent Calgary Horse Show.

Also Belgian mares in foal to the World's Champion \$47,500 "Farcer." The balance of our Belgian mares are in foal and have foals by the \$8,000 "Duke of Elmwood" (9957), weight 2,300 pounds, who was Junior Champion at the International Fat Stock Show in 1917. Belgian mares are being bred to the "Lefebure's Clarion" (2500), who has never been defeated in the show ring. He won first at Chicago as a yearling, First and Grand Champion at Des Moines, Iowa, in 1919, also first in his class and Grand Champion over all in Chicago in 1919.

We also have some very fine young two and three-year-old Percheron and Belgian Stallions that won First in their class at the recent Calgary Horse Show.

We also have for sale 50 head of Registered Shetland Ponies, weighing from 250 to 600 pounds.

Also a herd of Duroc Jersey Hogs. The Boar that heads our herd of sows is a grandson of the 1,400-lb. World's Champion Duroc Jersey Boar. We paid \$2,000 for him at two and one-half months old and we consider we have some of the best blood that we could buy on the female side.

We will be glad to drive anyone in the market for any stock in our line, to our ranch, which is 10 miles from the Alberta Stockyards.

# WHERE MIXED FARMING PAYS

¶ In Central Alberta and Saskatchewan are rich park lands—open prairie ready for the plow, interspersed with trees, which afford excellent shelter for stock. Here grain growing, dairying and live stock raising are being carried on successfully. The country is ideal for mixed farming. The Canadian Pacific Railway is offering a large area of these fertile lands in the neighborhood of Lloydminster and Battleford, and also in the large stretch of country lying between the Calgary and Edmonton line of the Canadian Pacific Railway and the mountains, south of the Canadian National main line running westward from Red Deer. Here the country is being rapidly settled and thousands of farm homes established.

¶ Land in these districts can be bought now at prices averaging about \$18. You pay down 10 per cent. If land is purchased under settlement conditions, no further payment of principal until end of fourth year, then sixteen annual payments. Interest is six per cent. Irrigated lands in Southern Alberta \$50 an acre and up.

## ACCOMMODATION BUREAU

For the convenience of out-of-town visitors, the Exhibition Company has provided an Accommodation Bureau at the C.P.R. Depot to assist them in securing rooms for their stay in the city. This service is entirely free of charge to those engaging the rooms and those supplying them. Call M7036 for the Accommodation Bureau.

## AUTOMOBILE ENTRANCE

A special automobile entrance has been made on Second Street East, just north of the Car Barns, cars to be parked south of grandstand.

## CAMP FOR MOTORISTS

A most cordial invitation is extended by the Calgary Automobile Club to motorists to take advantage of the Club's free camp on the south bank of the Elbow River, just two blocks south of the Exhibition Grounds. No charge is made for the use of the Camping Grounds, but campers are requested to register at the office of the Auto Club, Centre Street.

## MOTHERS' REST ROOM

For the comfort and convenience of the mothers and children, Victoria Hall, the former Y.M.C.A. building, has been converted into a nursery, children's playroom and rest room for Exhibition Week, and is under the supervision of the City Health Nurses and playground supervisors. There will be fresh milk daily for free distribution to the children, who will be quite safe for any length of time in the care of the nurses and supervisors if the parents wish to leave them there while they see the exhibits and attractions. There will also be a first aid department in the same building to care for minor injuries.
